

Dear Vendor,

The 2017 Tremont Turkey Festival is just around the corner. The dates for this year's festival are June 9, 10, 11. We hope we have another successful year.

The tent for indoor merchants will be on the east side of the park. The indoor booth numbers are 101-137. The outdoor vendors will display along James St. The prime outdoor booth numbers near the carnival are 205-218. In addition there are outdoor booths available on the south side of the entertainment tent booth numbers are 221-236. Please see the map for details and prices of individual booths.

On your contract, please indicate your top three preferences for your booth space. The booths will be reserved on a first come-first serve basis. This is not a guarantee that you will receive your top pick, but we will do our best to accommodate you.

All booth spaces are in ten foot increments. Indoor spaces are 10x10feet, and outdoor spaces have a 10 foot frontage and a 15 foot depth. You will receive a confirmation card in the mail by the end of May, stating the booth spaces(s) you have received.

Please remember to send your money and contract early. We will not reserve any booth without contract and payment in full, **NO EXCEPTIONS**. We need the actual contract and check before we make a reservation.

Vendors are encouraged to have prizes and drawings, but this is not a requirement. We are looking forward to seeing you this year, and we hope this exposure will expand your business

Thank You,  
Kendall and Kerry Martin
