

Jim Huber
Station Manager, WBNH Radio, Pekin

Married to Jean for almost 35 years! Have two sons, Jimmy is married to Abi; they live in Carlock and they have three little boys and a new baby girl! Johnny is single, lives in the Norfolk, VA area.

I was raised in Fairbury, IL, the 6th of 10 children! (We still have a blast on holidays!) Mom is in Heaven; on May 26, Dad will be 96!!

I graduated from Eastern Illinois University in 1979 with a Bachelor's Degree in communications with emphasis on radio & TV production. I worked in two secular radio stations from 1975 to late 1979. Another job brought me to Peoria in 1980, making it my home since.

I worked in several jobs until bottoming out professionally in 1982, when I asked Jesus to come into my life at age 26. He didn't waste time blessing me! I landed a job at WPEO Christian Radio in 1983 and was married in the same year! After six years at WPEO, I left to pursue "some job" that would support my small family. I had then worked in management and training roles in the ensuing years.

19 years after leaving WPEO, and leaving radio, the profession I love, I literally received a phone call from God, asking me to join WBNH! (That's an entirely separate, miraculous story! Ask Don Rice about it.) I am already in my 11th year with our ministry.

I spend my spare time with my dear wife, as we're empty-nesters. I enjoy taking walks, an occasional bike-ride, some yard work and spending time with our grandchildren.
