RULES

VIDEO MUST BE SHOT ON A SMART PHONE

To keep this fair and competitive, we want you to pick a favorite song, and create a music video to go with the song using only your smart phone to shoot the images.

VIDEO CANNOT EXCEED 3 MINUTES (NO exceptions)

Keep it short – a great video can make a huge impact in 2-3 minutes

KEEP IT APPROPRIATE (NO exceptions)

Use songs with appropriate lyrics – this is a family festival.

BE CREATIVE

You can do amazing things with a smart phone, and inexpensive, or even free video editing applications. Have fun, get your friends involved – maybe yours will go viral!

DON'T MISS THE DEADLINE

We need time to preview the videos and ensure they're okay for public viewing, so entries must be in by Friday June 1st, 2018. (cd, dvd, flash drive)

RICK GIOVANETTO – MUSIC VIDEO CONTEST
PO BOX 930
TREMONT, IL 61568

*** There is only one over all category. Hopefully, if entries increase, we'll be able to have age categories, but until that is necessary, everyone will compete in the same category. There is a small point bonus for those in the 10-12 age group, and 13-16 age group as we want this to engage Jr High and High School students.

***There is also a small point bonus for having authentic singing in your video. It's great fun to Lip Sync to Beyonce' but it takes a brave heart to put your own voice (or voice of a friend) on a video that others are going to see. That deserves some point consideration.

***The idea is to be creative and have fun with the video. Pick a good song – something that will capture the audience's attention (or the judge's attention) and show off your talents. Get others involved and have a good time.
